

# Rebate Request Form

Rebate levels for installation as of January 1, 2010\*

## Heat Pumps:

OEC will rebate \$325 per ton for installation of a heat pump on new construction or when converting from gas to electric. The upgrade of an existing electric system to one with a higher SEER rating receives \$225 per ton for installation on or after April 27, 2010. Geothermal/Ground-source heat pumps with a desuperheater receive a \$650 per ton rebate (\$450 without a desuperheater).

To qualify the heat pump must have the following:

- ❖ **Air-source: 14.5 SEER or better**
- ❖ **Geothermal: 14.1 EER & 3.3 COP for closed-loop or 16.2 EER & 3.5 COP for open-loop**

The following information must be completed to qualify for OEC's **heat pump** rebate:

Heat Pump Brand Name \_\_\_\_\_

Outside Model Number \_\_\_\_\_

Inside Model Number \_\_\_\_\_

Name and address of contractor who installed equipment \_\_\_\_\_

Check **one (1)**      Total Electric \_\_\_\_\_      Dual Fuel (Gas Back-Up) \_\_\_\_\_

## Electric Hot Water Tanks:

OEC will rebate \$180 for electric hot water tanks on new construction or when converting from gas to electric.

**\*Replacement of existing electric tanks does not qualify.**

To qualify the tank must have the following:

- ❖ **Two (2) 4,500W elements**
- ❖ **R-Value of R-12 or higher**
- ❖ **5-year warranty**

If the above criteria have been met complete the following for OEC's **electric hot water** rebate:

Brand name \_\_\_\_\_ Gallon size \_\_\_\_\_

Serial number \_\_\_\_\_

## Member Information:

Member Name \_\_\_\_\_

Address \_\_\_\_\_

Account Number (where equipment is installed) \_\_\_\_\_

Home Phone (\_\_\_\_\_) \_\_\_\_\_ Work Phone (\_\_\_\_\_) \_\_\_\_\_

Please sign name as shown on OEC account verifying the above equipment was installed.

Signature \_\_\_\_\_ Date \_\_\_\_\_

- ❖ Mail copies of sales receipts to: OEC, Rebates P.O. Box 1208 Norman, OK 73070  
or fax them to: OEC attention Gary Hickman, 405-217-6904.
- ❖ If you have any questions contact Gary Hickman at 405-217-6707.
- ❖ Rebate claim must be made within 6 months of installation.
- ❖ Rebate amounts effective as of January 1, 2010. Work done prior to this time qualifies at 2009 levels.
- ❖ Upgrades of existing electric systems prior to April 27, 2010 do not receive a rebate.

## ENERGY EFFICIENCY REBATE PROGRAM APPLICATION

**Ownership of Environmental and Renewable Benefits.** The installation or modifications implemented as a result of this Energy Efficiency Rebate Program may create attributes or benefits of an environmental or other nature including, but not limited to, tags, certificates or similar products or rights to claim “green” or “renewable” energy, environmental air quality credits, green house gas credits or off-sets, or other benefits related to the more efficient use of energy by the Applicant pursuant to any existing or future federal, state or local legislation or regulation (the “Environmental and Renewable Benefits”). To the full extent allowed by such law or regulation, Western Farmers Electric Cooperative (WFEC) shall own and/or be entitled to claim all Environmental and Renewable Benefits and Applicant hereby assigns and transfers to WFEC all rights, title and authority for WFEC to register, own, hold, manage or dispose of such Environmental and Renewable Benefits.

*I certify that the heat pump listed below is a qualifying ENERGY STAR heat pump that will be installed at the address listed above. I agree to allow a representative of the Cooperative to verify the heat pump installation at the above address. Co-op reserves the right to use information in the ongoing evolution of our Energy Conservation and Carbon Reduction programs.*
