Dear agency,

Thank you for taking the time to apply for an OEC Foundation, Inc. Operation Round Up© grant. Your application makes it possible for the members of Oklahoma Electric Cooperative, through the stewardship of the OEC Foundation board of directors, to contribute to the betterment of the communities in which we work and live.

Established in 1993, the Operation Round Up program is made possible through the generous donation of OEC members who elect to “round up” their electric bill each month. The “round up” amount is placed into a fund of the OEC Foundation and is held independently from the finances of Oklahoma Electric Cooperative. The fund is solely controlled by an independent and voluntary board of directors representing each of OEC’s nine districts.
