

Hey! 8th Graders!

Want to go to camp? Want to have fun while learning to become a better leader? Youth Power Energy Camp is for you. Energy Camp is highly recommended by anyone who has attended.

“I loved meeting new people from all over Oklahoma that I never would have met without attending this camp.”

— Allison Ragsdale, 2014 Energy Camper & 2017 Youth Tour winner from Tuttle.

YOUTH POWER ENERGY CAMP. A four-day action-packed adventure for current eighth graders, Energy Camp helps develop leadership skills and promotes teamwork while teaching about cooperative principles, rural electrification and electrical safety. Each year, OEC sponsors up to four students to attend the camp held at Canyon Camp near Hinton.

While Energy Camp offers many traditional summer camp activities like swimming, hiking, basketball and a ropes course, teens also have the unique opportunity to climb a utility pole like a lineman, ride in the basket of a bucket truck and form and run their own cooperative. They’ll take home a new-found confidence, leadership skills and a host of new friends—like-minded peers from all over Oklahoma.

Youth Power Energy Camp is May 28 - 31, 2019

DEADLINE: MONDAY, APRIL 1 @ MIDNIGHT

SUBMIT APPLICATION ONLINE: [WWW.OKCOOP.ORG/ENERGYCAMP](http://www.okcoop.org/ENERGYCAMP)

or mail to: Oklahoma Electric Cooperative
